The Management Board of OPTeam SA (the Company) announces that today, i.e. 02.08.2013, it has signed a material contract with Regionalne Centrum Krwiodawstwa i Krwiolecznictwa [Regional Blood Donation and Transfusion Medicine Centre] in Rzeszów, ul. Wierzbowa 14, 35-310 Rzeszów (hereinafter: RCKiK Rzeszów). The purpose of the agreement is to execute an investment project named "ICT network development to provide access to the medical e-service platform at RCKiK Rzeszów for the purposes of supplying the hospitals of Subcarpathian voivodeship with blood and blood products", totalling gross PLN 3,346,338.14 (in words: three million three hundred forty six thousand three hundred and thirty eight zlotys 14/100 grosz). In the contract, OPTeam SA acts as the Contractor, and RCKiK Rzeszów as the Ordering Party. The contract is to be completed by 18.04.2014, according to the schedule of individual project stages. The parties have stipulated the following contractual penalties: should the Contractor fail to meet the contract deadline, the Contractor shall pay the Ordering Party contractual penalties amounting to 0.1% of the gross remuneration stipulated for the task whose deadline was missed for each day of the delay. The obligation to pay contractual penalties does not waive the Ordering Party's right to pursue additional damages exceeding the amount of contractual penalties. The Contractor's total liability due to failure to perform or improper performance of the contract is capped at the equivalent of the contract total.

The remaining contractual provisions are typical of this type of contracts. The criterion for recognising the amount of transactions with RCKiK Rzeszów as material is the fact that its value exceeds 10% of the Company's equity according to the balance sheet published in the interim report for Q1 of 2013.
