The Management Board of OPTeam SA (the Company) announces to the public that the turnover according to the accrued value of its orders with Gemalto Sp. z o.o. with its seat in Tczew, at ul. Skarszewska 2, has exceeded the material amount threshold. The net total value of orders as of the report date is PLN 2,841,123.31 (two million eight hundred forty one thousand one hundred and twenty three zlotys thirty one grosz).

The Company discloses that among the transactions making up the accrued turnover, the highest amount can be found in order dated 26.02.2013 amounting to the net total of PLN 560,572.20 (five hundred sixty thousand five hundred and seventy two zlotys twenty grosz). Pursuant to the order, Gemalto Sp. z o.o., as the manufacturer, is to supply electronic student ID cards. The parties have agreed that the order is to be completed by 30.04.2013. The remaining terms of the order are typical of such transactions.

The criterion for recognising the accumulated amount of transactions as material is the fact that their total value as of the report date exceeds 10% of the Company's equity according to the balance sheet published in the interim report for Q3 2012.
