The Management Board of OPTeam SA (the Company) announces to the public that the total turnover based on the accrued value of its orders with TECH DATA Polska Sp. z o.o. with its seat in Warsaw, Jerozolimskie 212, has exceeded the material amount threshold. The total turnover as of the date of this report amounts to net PLN 2,868,092.80.

At the same time, the Company discloses that among the supply contracts accounting for the above-mentioned total turnover with TECH DATA Polska Sp. o.o., the highest amount is to be found in the order of 19.06.2012 under which the Company bought IT equipment. The order amounted to net PLN 1,418,002.90, and its terms did not differ from typical provisions of such orders.

The criterion assumed for determining that the accumulated amount of transactions with TECH DATA Polska Sp. z o.o. is material is the fact that their total value as of the report date exceeds 10% of the Company's equity according to the balance sheet published in the interim report for Q1 of 2012.
